

**CONNECTED IN VEGAS?**

**ABSOLUTE  EXHIBITS**

# WE ARE!

A relationship with Absolute Exhibits goes well beyond renting or buying an exhibit display. When you come to our town – the sky is the limit. The word connected was coined for Las Vegas. Nightclubs, restaurants, show tickets, leisure activities – we have a connection to everything. We start in our office with our own concierge services.

Within days of signing your sales order a concierge will call you requesting your wants, needs and wishes for your trade show trip to Las Vegas. Whether it is show tickets for two or twenty – give us enough notice and we can help make your trade show time an incredible, never to be forgotten experience for you and your clients.

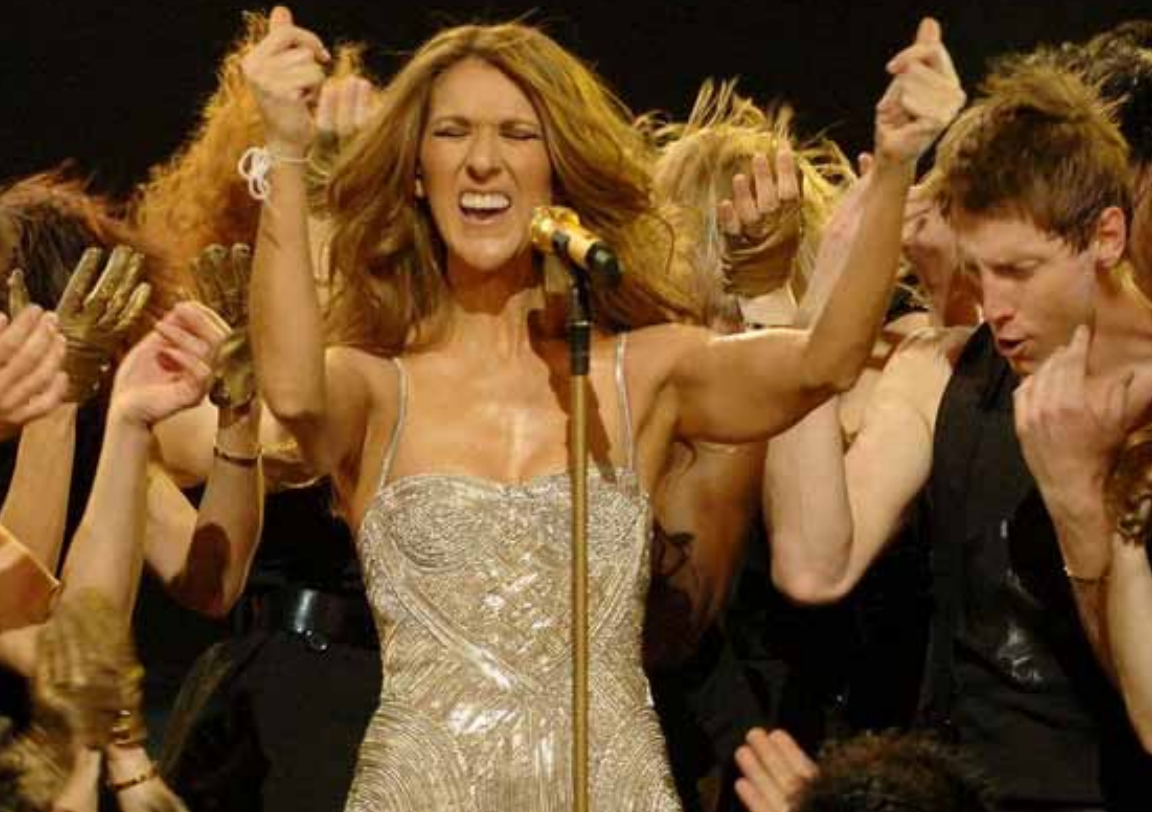

How do we do it? It's all about whom you know in Las Vegas – and the longer you have been here the stronger the bonds become. Las Vegas is a big town with a small town ethic. We work with the top management of hotels, clubs, restaurants and much more, across the board – we help them and they help us. We have built relationships over a number of years and with those associations we can offer unbelievable experiences for our clients.

Absolute Exhibits has two sites in Las Vegas – our original workshop with 25,000 square feet of manufacturing space and setup floors and our Las Vegas office location with an additional 15,000 square feet of storage and our new graphic manufacturing plant. We are ten minutes from the Strip and the convention centers and five minutes from the airport.

Our connections, our abilities, our relationships – we truly are Las Vegas.
