RESTAURANT SOCIAL DISTANCING TOOLS:

THE POST-PANDEMIC SOLUTION TO OPERATING SAFELY

Restaurants across the nation are seeking to reopen their doors and welcome back customers safely. In order to comply with state and local health guidelines, restaurateurs have sought to reimagine their environment in a sophisticated way. Instead of purchasing inexpensive looking solutions, they turn to the experts who can create temporary or permanent installations tailored to the environment.

Implementing restaurant social distancing tools offers employees and customers a safer environment to work and dine. These critical components to operating safely offer the following solutions and benefits:

- **Portable free-standing social distancing partitions with multiple texture, frame, and cuts available to enhance restaurant ambiance, not detract from it. Partitions can be joined together for larger areas and used indoors or outdoors.**
- **Enhanced protection for hostess or takeout stations using customized barriers that can include slots for transactions.**
- **Customized social distancing partitions that are either portable or built onto existing booths or banquettes to offer privacy and enhanced safety measures.**
- **Customized hanging dividers to enhance the safety of bartenders, hostesses, cashiers, sushi bar chefs, and more.**
- **Portable tabletop screens to socially distance seated bar patrons. These provide a protective barrier between customers and their server behind the bar.**
- **Custom signage to remind employees and customers of healthy habits or expected behaviors inside the restaurant.**
- **Scuff and trip-resistant floor graphics to safely direct traffic flow throughout the restaurant and encourage social distancing.**
- **Temporary rental options are available to provide enhanced safety measures while current operating guidelines are in place.**
- **Financing options available with up to 36-month payment terms.**

Absolute Exhibits can offer an initial site inspection, consultation and design that meets your needs. To schedule a visit, please contact us at **(714) 685-2800** or email us at **info@absoluteexhibits.com**.
